**Government of Umm Al Quwain
Department of Umm Al Quwain Municipality**

Date: 5/8/2019
No. 2754-2019

To Whom It May Concerns

The Public Health and Environment Department at Umm Al Quwain Municipality hereby certifies that M/s: **Federal Electricity and Water Authority (FEWA)** have submitted the environmental impact study through M/s: **Capitalss** under FEWA's letter No. 1305/001/061 for the project of **seawater reverse osmosis desalination plant** – 150 million gallons per day, based on the independent power producer (IPP) model in the Emirate of Umm Al Quwain, and the aforementioned study was approved by a certified consultancy company.

This certificate was issued upon their request, without any liability on the Municipality's part towards the third party.

Best regards,

*(Stamp of the Department of Umm Al Quwain
Municipality – Environmental Protection and
Public Safety Sector)*

*(Signed)
On behalf of/ Director of Public Health and
Environment*

*(Stamp of the Department of Umm Al Quwain
Municipality – Customer Happiness Center)*
